

# PREMIUM PRESSURE WASHERS

COLD WATER - INDUSTRIAL

## Maxflow Industrial Pressure Washer

ENGINE HP

INDUSTRIAL RATED

ELECTRIC START

LOW OIL ALERT

HOSE, GUN & LANCE KIT

QUICK RELEASE LANCE

CHEMICAL INJECTION

Model - YANMARX-TF

### Features:

- Yanmar 3 cylinder, liquid-cooled 27 HP diesel engine with direct injection
- Electric start (low oil pressure / over-temperature shutdown feature)
- 35 litre long run fuel tank
- HTD type belt driven premium series pump with brass head
- 2400 RPM engine speed with 1450 RPM pump
- Pulley configuration allows engine speed to run lower, improving engine lifespan
- Water suction with twin stage filtration
- Complete with 30M twin wire hose and 1200mm lance
- Powder coated tubular frame
- Rubber mounted base plate
- Pneumatic wheels with 8 ply tyres
- Modular frame design allows easy removal of axle and castors to create a bolt down van pack system

Recommended Application: Livestock housing, Plant Machinery, Agricultural Use, Ship Yards

Quick release lance included
